Any visitor who appears to be under the influence of any form of intoxicant, including drugs or alcohol, will not be permitted to visit and could be subject to arrest.**

- Inmates are allowed **two (2) one hour visits a week**. For the purpose of counting weekly visits, the week begins on Sunday and ends on Saturday. Inmates and visitors may have one (1) visit per day. An inmate will not be eligible for a visit if he/she has lost their privilege as a result of any disciplinary action.

An inmate may refuse a visit. We do not advise inmates who is here to visit.
- Up to **three minor children** may accompany one adult. If you wish to have more than three minors visit in an hour, there must be two adults to split the visit with the children. They must **sign up at the same time**. Children must be constantly supervised and remain under the adult's control. If you cannot control the children you are responsible for, your visit will be terminated for their safety.
- **Nothing is to be brought into the facility except I.D., keys, and necessary items for a child.** The following items are specifically prohibited in the visiting room: purses, bags, drugs or alcohol, cameras, cell phones or other recording devices, cigarettes, food, beverages, pets, firearms, knives or other weapons. Possession of these items in the visiting room may result in your visit being terminated.
